(Signature of person mailing paper or fee)

Prior to the Examiner acting in the above-referenced application, please preliminary  
amend the specification and claims as follows:

IN THE SPECIFICATION:

Please cancel the specification and insert the attached Substitute Specification therefor.

Please insert the following Abstract on a clean sheet after the claims:

A1  
An infusion bag for preparing tea including a suspension unit having a grasping area and at  
least two chambers for containing an amount of a substance, the chambers each having a top side  
and being connected to one another at respective top sides to form a common edge. The  
chambers are connected to the suspension unit at the common edge and are turned away from the  
grasping area. The suspension unit is preferably longer than the chambers.
